SWIM SPAS

At a massive 8m long, the Titan is the largest of Galaxy's single-zone swim spas (and one of the largest on the market). Designed for a superior swimming experience, it comes complete with Galaxy's inverter swimming system. With three patented turbojets and one variable pump, the swimmer can increase or decrease water pressure via 10-speed settings to suit ability or intensity preference, all while enjoying a powerful yet smooth continual flow of water. Enjoy 38 massage jets as you relax and recover.
